

## **RN – Diabetes Educator (Riverside Medical Clinic)**

### **Responsibilities**

#### **Come and join the RMC Family!**

We have been in the community since 1935. Our mission is to provide comprehensive multi-specialty medical services in the greater Riverside region. Your passion, inspiration, and talents are invaluable to us and our mission to serve others. Our facility can provide a place for you to thrive and continue your professional development. Quality Healthcare is our passion, improving lives is our reward. We are working to change lives and transform the delivery of healthcare.

Riverside Medical Clinic is the best place to work, practice medicine, and receive care.

**SUMMARY:** Responsible for instruction of all individuals with diabetes and their families in all aspects of diabetes and its treatment as it pertains to that individual. Teaching is done with consideration to patient's age, sex, and cultural and religious beliefs, which may affect the education process and compliance. Also responsible for developing and advising diabetes related policies within RMC.

**QUALIFICATIONS:** To perform this job successfully, an individual must be able to perform each essential function satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

**PAY:** \$39.46 - \$62.88/Hr

**HOURS:** Per Diem, Monday-Friday 8:30am-5:30pm, some evenings required.

### **Qualifications**

**EDUCATION and/or EXPERIENCE:** Must be a graduate from an accredited school of nursing. Bachelor's Degree from a four-year college or university preferred. Five years' experience as a staff nurse and two years' experience in patient education required.

**CERTIFICATES, LICENSES, AND REGISTRATIONS:** Current California RN license, Diabetes Educator Certification, and current BLS certification required.
