

Candidate Name: Liwen Jian

Location: Wildomar, CA

Compensation: \$70/hr

Desired Shift: Day

Interview Availability: Mon-Fri 1pm or later

Availability to Start: 2-3 weeks after offer

Summary

Liwen is interested in taking on a long-term approach towards chronic care support. Her passion in chronic care comes from family members that experience chronic illnesses and have run into issues with treatment. She wants to follow the trend of AI technology in healthcare and continue making a positive impact in the nursing community away from bedside.
